

# Risk Management Policy

For the protection of players and adults, and in order for SAY East Cincinnati to be compliant with the Soccer Association for Youth (SAY National) [Risk Management Policy](#) as well as State and Federal laws, all Districts must implement adequate processes and procedures to ensure each participant (i.e. head coach, assistant coach, volunteer, parent or player) is in compliance with SAY National's Risk Management Policy.

At a minimum, each district will ensure all coaches, assistant coaches and volunteers have completed all the elements identified within the SAY National Risk Management Policy. Currently the SAY National Risk Management Policy requires every head coach, assistant coach, and volunteer to complete the SAY Volunteer form, a background check (where applicable), concussion training, Ohio's Lindsay's Law, and US Soccer's SafeSport requirement (i.e., Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017).

Additionally, each District will ensure every player and every parent has completed Ohio's Lindsay's Law requirement. Each District will maintain appropriate documentation that demonstrates compliance with the SAY National Risk Management Policy. Prior to the first game each season, every District will provide SAY East Cincinnati confirmation that all participants are compliant and will remain compliant throughout the season with the SAY East Cincinnati Risk Management Policy. Please contact the SAY East Compliance Officer ([compliance@sayeast.org](mailto:compliance@sayeast.org)) with any questions.

## Summary Information and Links to Required Forms

What	Who	Frequency	Link	Notes
Volunteer Form	Head Coaches, Assistant Coaches, and all other Volunteers	Each Season	<a href="https://l.linklyhq.com/l/it7G">https://l.linklyhq.com/l/it7G</a>
